DriveTax - Free Resources to help
Rideshare & Food Delivery Drivers
Manage their Taxes

Are you an Uber Driver or Food Delivery Driver and need help to manage your BAS, GST and income tax? Or perhaps you are a bookkeeper/BAS Agent or Tax Agent who has clients in this industry and would like to learn more about how taxes affect these workers. Well, you are in luck! I have come across a website that is owned and run by Jess Murray, CPA and director called DriveTax. Jess provides the most current information about how to process the BAS and income tax returns for workers in this industry. She offers free resources and also paid resources - all are excellent. If you would like to view her resources, [go to her website here](#). Enjoy!

~~\$450~~

**\$450 Super
Guarantee**

**Can I Claim the GST
on That?**

Threshold Scrapped!

From 1 July 2022, the \$450 threshold for super guarantee will be removed.

This is a list of common business purchases and whether or not each one includes GST or not. Bookmark it now to make your bookkeeping and BAS prep easier!

NIL TPAR

NIL Taxable Payments Annual Report

If you normally lodge a Taxable Payments Annual Report (TPAR) but have decided that this year, you don't have anything to report, you can lodge a "Non-lodgement Advice" form (NIL TPAR) with the ATO. You can do this online via ATO Online Services.

Minimum Wage Increase July 1 2022

As well as the [super guarantee increase](#) to 10.5% on 1 July 2022, employers now need to factor in a wage increase. Read more in this blog.
