Quarter 2 2022-23 Giving Program Results

Another quarter has passed us by so that means it's time to do the sums and work out our quarterly donation to one of [our four chosen charities](#). We've ended up [donating \\$25](#) to [Ronald McDonald House Charities Vic & TAS](#). The funds will go towards providing accommodation and support to families of seriously ill children across Melbourne and Hobart.

RMHC Vic & TAS has been supporting sick children and their families for over 30 years. They aim to keep families together when a child falls ill and requires regular medical attention. They do this by providing accommodation in one of their four houses and various support services.

They are a wonderful charity and we urge you to donate if you can. You can [donate here](#).

FYI, our giving program is only made possible because of our clients - 2% of every invoice they get is donated to our charities. Good on our clients and good on us - warm hugs all around xxx. If you're interested, you can see the full list of our giving program results, past and present [here](#).
