Bookkeeping & AI: The ChatGPT Revolution by Donna McGeorge

Following on from last week's newsletter about how ChatGPT could help with basic bookkeeping tasks, this week I would like to let you know about a book I heard about via the Institute of Certified Bookkeepers (ICB) News Channel. It's called The ChatGPT Revolution by Donna McGeorge and while it's not about bookkeeping per se, it does include many tips about how you can use ChatGPT to make your work life much easier. Listen to the interview Donna gave ICB via their podcast recently.

The government is looking at introducing **wage theft laws**. The proposed legislation will aim to reduce wage theft via various measures such as jail terms, hefty fines, record-keeping enforcement, and whistleblower protections.

Wage theft includes unpaid overtime, denial of breaks, underpayment, and *unpaid superannuation*.

The proposed laws give a clear message that the government is taking wage theft seriously. Something to watch out for in the coming months...
